

- Please collect the following data **twice daily** (morning & evening) for your unit
- Complete as many fields as possible; if the data is unknown, leave blank
- Enter fields into CHRIS portal at <https://chris.health.gov.au> using your unit login

PATIENTS (within your physical ICU/HDU unless stated as 'hospital')

No. ICU patients (1:1 nursing)	<input type="text"/>
No. HDU patients (1:2 nursing)	<input type="text"/>
Confirmed COVID patients in your ICU/HDU	<input type="text"/>
Confirmed COVID patients in your ICU on invasive ventilation	<input type="text"/>
Confirmed COVID patients in your hospital	<input type="text"/>
Total number COVID cases in your ICU with ≥ 2 COVID vaccines	<input type="text"/>
'Cleared' (no longer isolated) COVID patients in your ICU/HDU	<input type="text"/>

TREATMENT (within your physical ICU/HDU)

No. patients receiving invasive ventilation	<input type="text"/>
No. patients receiving non-invasive ventilation	<input type="text"/>
No. patients receiving continuous renal replacement therapy	<input type="text"/>

AVAILABILITY (within your HOSPITAL right now)

No. physical ICU-capable bed spaces	<input type="text"/>
No. open, staffed & equipped ICU bed spaces (vacant & occupied)	<input type="text"/>
No. patients awaiting admission for ICU-level care	<input type="text"/>
No. patients awaiting admission for HDU-level care	<input type="text"/>
No. ICU nursing/medical staff unavailable due to COVID exposure or illness	<input type="text"/>

STOCK (current available counts)

Spare ventilators	<input type="text"/>
Spare dialysis/filters	<input type="text"/>
ICU PPE stock ('low' <3 days, 'medium' 3-7 days, 'adequate' >7 days)	<input type="text"/>
