

A preparatory course for the FCICM Adult Final Examination including lectures from senior Intensivists, training in exam technique from recent successful candidates, and practice vivas & clinical 'hot' cases from within Wellington ICU

Wellington Intensive Care Medicine Course

- This course will have 2 streams, suitable for:
- Candidates sitting the clinical exam in May
 - Candidates intending to sit the written exam in the next 12-18 months

*As in previous years, the faculty will include eminent international speakers.
Places are limited to **30** candidates to ensure sufficient exposure to exam conditions for all.*
